Dear Reader:

It is with pleasure that I share with you Virginia's Three-Year Plan, 2003-2005, our application for funding under the Juvenile Justice and Delinquency Prevention Act. The Plan describes our agency's juvenile justice priorities and program plans, provides data about youth in the juvenile justice system, describes the structure of the juvenile justice system in Virginia, and describes the network of services available that complement the official system. I hope that you will find it informative.

The Plan is available online at <http://www.dcjs.org/juvenile> (click on Publications and Resources). For further information about the services and functions of the Department of Criminal Justice Services, I invite you to visit our web page at <http://www.dcjs.org>.

Yours sincerely,

Leonard G. Cooke
